## Consultancy Opportunity

### PDSSP-TAMA – Technical Assistance Management Agency

<b>Name</b>	SP25 Diagnostic Assessment of Urban Reform Programmes		
<b>Consultants</b>	1 National		
<b>Duration</b>	3 Months	<b>Projected Start Date</b>	February 2010

The PDSSP supports critical reforms, institutional strengthening, capacity building and partnership building for improved service delivery in the areas of Health, Education, Special Education and Water Supply & Sanitation.

**Scope of Work:** The Government of Punjab through the Urban Unit, P&D Department wants to undertake this assignment including a diagnostic assessment of urban sector development and service delivery programmes. The focus of this assessment will be how the lessons learned can be integrated in the design of future Urban Reform Programmes.

#### Key Consultant Requirements:

Municipal Infrastructure Development Expert: (3 person months) preferably Master's degree in urban planning, engineering and or any other relevant field from a foreign or local university with 5 years experience as an infrastructure development specialist including 2 years experience in urban / municipal infrastructure development – construction, operations and management; Good working knowledge of the local government system will be an added advantage.

TORs are available on the PDSSP website: [www.pdssp.gov.pk](http://www.pdssp.gov.pk), on the ADB website: [www.adb.org](http://www.adb.org) or from the PDSSP-TAMA address below.

The Curriculum Vitae should be presented in the ADB format. The format is available on the above websites or can be obtained from the email address below. CVs should be sent with a brief cover letter by email or post, to reach the address below **within 8 days** of the appearance of this advertisement.

A competitive market remuneration will be offered. Applicants should mention the SP reference number on their application.

Interested Government servants are required to apply through the proper channels.
