## Punjab Devolved Social Services Programme

The Punjab Devolved Social Services Programme (PDSSP) comprises two programme loans and a grant to support critical reforms, institutional strengthening, capacity building, and partnership building in Punjab's devolved social services in the areas of health, education, and water supply and sanitation (WSS).

A number of knowledge products have been prepared under the PDSSP in the sectors of Health, Education, Special Education and WSS, while several documents are in the pipeline as well. In order to introduce an element of quality assurance, the PDSSP needs the services of a professional Editor.

### Qualifications

The Editor must have the following qualifications:

- Masters Degree holder in Social Sciences or English or Journalism from a HEC recognized local/foreign University
- Excellent communication and writing skills – the consultant may be required to produce evidence of previous written work
- previous editorial experience would be an added advantage

### Input

Three person months input will be required with duty station at Lahore. Competitive market salary will be offered. The contract will be renewable for a period of another three months subject to satisfactory performance.

The detailed TOR for the position are available on [www.pdssp.gop.pk](http://www.pdssp.gop.pk)
